

Youth Leadership Program - ~~THE~~ Let It Be Foundation Junior Advisory Team & Junior Links Team

APPLICATIONS ACCEPTED: MARCH 1 - APRIL 1

Youth Program Mission

As a team, we bring awareness to life-threatening pediatric illnesses through various fundraising events, while inspiring other youth in the community to get involved.

The program's primary goal is to develop student leaders with a philanthropic focus while helping them master key life skills. All members interact with and enrich the lives of children diagnosed with pediatric cancer and other life-threatening illnesses. Team members, as a group, organize and execute various events focused on fundraising and awareness building in order to inspire their peers to get involved in their community. Both teams meet on a monthly basis to plan events and coordinate youth volunteer opportunities. The program is a one season commitment from June 2023 – April 2024.

The Teams

The **Jr. Advisory Team** is a volunteer-focused leadership program of *The Let It Be Foundation*. The team consists of 10th – 12th grade students who meet the second and fourth Monday of each month and who also participate in additional team activities.
